WHAT'S INSIDE

China Market Update: Continued Change with Advantage to Russia

The FEA Canada/WOOD MARKETS team has travelled to about 15 major consuming regions in China on two industry investigation trips this year (January and March). These field trips have been made to support our upcoming multi-client report, [China's Import Demand for Softwood Logs and Lumber to 2022](#).

The log and lumber supply chain to and within China are entering a whole new phase. China's supply chain is morphing and adapting in a variety of ways to meet the country's growing demand for wood products. Russia is gaining competitive advantage as a result of ...
