SIBERIA FORESTS & FOREST INDUSTRY TOUR + NORTHERN CHINA/RUSSIA BORDER TOUR SEPTEMBER 11 – 19, 2016

WOOD MARKETS will be leading its 8th forest and wood products industry tour in Siberia to allow forest industry players to obtain the real story on Siberia's expansion of its forests and mills. The Siberian log and wood products industry is expanding everywhere with production and exports. Visit will be made to some of the newest, state-of-the-art sawmills, plywood mills and a pulp mill.

The Russian trip continues on to see the development of the massive industry on the Chinese side of Sino/Russian border at Manzhouli that processes imported Russian logs and lumber.

The proposed tour itinerary will include the following key regions in Siberia (& Northern China):

Sept 10/11: Irkutsk (Siberia) – Meet here

Ust-Ilimsk – Sawmills, secondary processing, rail hub, and a tour of forestry operations.

Novaya Igirma – specialty Japanese export sawmills

Bratsk – plywood mill, pulp mill complex

Irkutsk – large sawmill, value-added mills and a wood products distributor.

Manzhouli (China, at the Russia/China border) – visits to the huge wood industry processing Siberian logs and lumber, including an expanding value-added industry.

Sept 19: Depart for Beijing (or Qingdao for the China Supply & Logistics Conference)
